The Main Residence (Upstairs)

Our beautifully appointed 3-bedroom main residence boasts an expansive open-plan living space with wooden floorboards, 5m high exposed beam ceilings and ocean views from the 60 sqm veranda. Stunning entrance, modern kitchen, laundry, pantry and bar room.

Freehold Property

Encapsulating the perfect Location, along with Style, Detail, Quality and Versatility. Unsurprisingly this is one of the most sought-after houses to buy in Nadi. Freehold special-use zoning in the heart of Nadi's tourist hub. Don't miss this once in a lifetime opportunity.

Three Apartments (Downstairs)

The ground floor has three integrated self-contained flats which can be used as additional living space, rental apartments or B&B accommodation. With a high visibility roadside location, the downstairs could be converted into a boutique shop, café or travel office.

Wailoaloa Beach / The Neighbourhood

Our house for sale is a minute stroll to Wailoaloa beachfront, Ramada Suites and several independent restaurants; the new Pullman Resort and the local Golf Club are a five-minute walk and it's just ten minutes' drive to Nadi Airport, Nadi Town and Port Denarau. Perfect.
